MESSAGE ADDRESSED ONLY TO COLLEGE STUDENTS AND TO FORMER STUDENTS THAT GOT THEIR DEGREE THIS YEAR:

Hi guys,

I am a student in business administration and I am in my last year. I'm currently working on a thesis related to the music industry. Since my work is completely based on a survey I have a desperate need for data.

If you are COLLEGE STUDENTS or FORMER STUDENTS THAT GRADUATED THIS YEAR, I would kindly ask you to fill the (really) short and completely anonymous survey that you can access by clicking on the link below.

I really need your help!
